

## Payment Gateway Integration

eDirectory's powerful and flexible directory platform allows for the integration of some of the most notable payment gateways available. They include PayPal, (PayFlow), LinkPoint, Authorize.net, 2CheckOut, WorldPay and PSiGate.

*Note: We can customize eDirectory to work with additional payment gateways, which will be quoted separately on an hourly basis.*

Contact us today to learn more  
about how eDirectory can  
integrate a payment gateway  
solution for you.
