Plans Builder

The screenshot displays the 'Plans Builder' interface. On the left, a list of content types is shown with expandable dropdown menus: Article, Banner, Classified, Event, Listing, Gold, Silver, and Bronze. Each item has a plus icon to its right. A right-pointing arrow is positioned between the two panels. The right panel shows a configuration for a plan named 'Diamond'. It includes a 'Classified' category with a count of 3, and a 'Listing' category with an 'Unlimited' option checked. Below this is a 'Listing template' section with a dropdown menu currently set to 'All' and a 'Browse' button. At the bottom of the panel, there is a toggle switch for 'Access to paywalled content', which is currently turned on, with a note stating: 'Members signing up for this plan will have access to paywalled content.'
